Baba's unlimited vision

Keeping Shiv Baba's unlimited vision and world service in mind, our most respected Dadis and Didis had started the international service in Guyana in the year 1975. It is the year 2026 and the seed that they had planted at that time, has grown to be a fully developed tree laden with fruits of success and inspiration. Guyana recently completed 50 years of service and it was a perfect time for us to get together with our seniors and members of BK family around the world to celebrate this occasion with great joy and enthusiasm.

Sister Jayanti was specially invited to be a part of this momentous occasion and she graced the occasion with her divine presence, inspirations and blessings for the future service. Along with her, BKs from the Carribean (Surinam, Trinidad), USA, India also attended the 2 day series of events and took benefit from the seniors sharings and insights.

State honor

One of the main highlights of the celebration was the Official Spiritual Discourse scheduled at the State house (Official residence of the President of Guyana). The event was hosted by His Excellency the President of Guyana Dr. Mohammad Irfan Ali himself and attended by the Prime Minister Brigadier (Ret'd) Mark Anthony Phillips among many Ministers, VIPs from various walks of life. Everyone took benefit from the discourse and went back enlightened with Sis. Jayanti's sharings.

Sister Jayanti shared her inspirational spiritual thoughts which was followed by a dialogue between The President and Sis. Jayanti. The President then presented Sis. Jayanti with a Guyanese special gift symbolizing the One Guyana vision. Sis. Jayanti presented the President with Shiv Baba's mural merged with the One Guyana vision. She also recited the pledge the organization is taking in order to support the spiritual aspect of the common vision with the Government.

It was an enchanting display of Administration and Spirituality working towards a better world.

BK Celebration

Second day of the celebrations was held at the World Trade Center, Georgetown, Guyana. It was attended by close to 200 BK students where Sis. Jayanti read murli and shared beautiful, inspiring stories of the Yagya in Guyana from when and how the service had started. Everyone who attended the event felt really excited and overjoyed hearing about the history of the service in the region.

Sis. Gayatri from New York and Sis. Hemlata from Trinidad also were part of the main guests at the event and shared their experiences and memories.

Senior BK students from the region shared their stories and inspired everyone. A celebration also took place to honor Sis. Jayanti and her unlimited service efforts in the region in particular and for being the beacon of spiritual transformation.

Public program at the World Trade Center Guyana

Evening of the Sunday (21st June) was scheduled for a public program where all the BK contacts and some VIPs were invited. In total there were 250+ people present in the audience.

Sis Jayanti shared her inspiring words of spirituality with the audience and made everyone look forward to the next phase of service in the region. Everyone felt Baba's peaceful and spiritual energy flowing through her when she took everyone on a short meditation session.

There was also a cultural program planned for the evening. The evening ended with everyone receiving Toli and Blessings along with a gift bag marking the 50 years of BK service in Guyana.

Link of the program, which was live streamed for everyone's benefit is here.

Meeting Sindhi Group from Guyana

Sis. Jayanti met the Sindhi group at the Guyana center on Sunday evening.

30 members of the Sindhi group in the region attended the special gathering.

Sis. Jayanti highlighted the connection and contribution of Sindhi community with the Yagya and also encouraged them to take the 7 day course and walk the spiritual path.

Sis Jayanti visiting Uncle Auntie's home

BapDada talks about Uncle & Auntie in many murlis and most of us BKs know them through Murlis as well.

Uncle and Auntie's home in Guyana is very close to the Light house (Guyana main center) and Sis. Jayanti made sure to visit the home and re-live the golden yagya days when Dadi's used to visit here frequently in order to serve the region.

They would almost always be hosted by Uncle and Auntie in the same house. It is preserved by the family as a BK heritage place and visiting the place brought back all those memories with special vibrations from the ancestor souls.

The family were also present and shared their memories from countless visits by almost all of the seniors in the early days of Yagya service.
