### Brother Yogesh's Inspiring Visit to Denpasar Bali, Indonesia

13–14 June 2026

As part of his service tour of Indonesia from 9 to 14 June 2026, Brother Yogesh from Türkiye visited the Brahma Kumaris Centre in Denpasar, Bali, on the late evening of 13 June 2026 and was warmly welcomed by the local Brahmin family.

On 14 June 2026, the day began with amrit vela and the reading of the Avyakt Murli of 14 June, creating an atmosphere of deep reflection and remembrance of Baba. Following the Murli class, Brother Yogesh conducted an inspiring class and workshop attended by 102 souls. Through practical examples, spiritual insights, and interactive discussions, he encouraged everyone to strengthen their awareness as souls and to experience the treasures of spiritual life more deeply.

In the afternoon, a special meditation experience was held in the peaceful garden of Peace Hut, attended by 30 souls. The theme of the session was Swaraja – the Consciousness of Being a Soul-King. Through guided meditation and yoga practice, participants explored the experience of self-sovereignty, gaining mastery over the mind, intellect, and sanskars. Surrounded by nature and silence, many experienced deep peace, inner power, and spiritual joy.

Later that evening, Brother Yogesh departed for the airport to continue his service journey to Cambodia, carrying with him the love and best wishes of the Indonesian family.

The Divine Family in Denpasar Bali expresses sincere appreciation to Brother Yogesh for sharing his time, spiritual wisdom, and elevated experiences. His visit strengthened the enthusiasm of many souls and reminded everyone of the importance of living in soul-consciousness and attaining true Swaraja.

Thank you seniors and all BK families for your kind good wishes and support.
