

**Thailand: National BK Family Retreat 2026 & Raksha Bandhan Celebration
with Sudesh Didi at Sindhu Centre, Samutprakarn | 20–21 June 2026**

A total of 173 Brahma Kumaris brothers and sisters from seven centres across Thailand had the beautiful fortune of coming together as one spiritual family. This gathering was not merely a physical reunion. It was a coming together of hearts, united through our shared love for Baba.

Upon arrival, Sudesh Didi shared her sweet and powerful drishti with everyone. The retreat began with a warm welcome performance presented by a sister from Sukhumvit Centre. Sr. La, National Coordinator of Thailand, officially welcomed all participants and introduced Sudesh Didi along with the coordinators from the various centres throughout the country.

The retreat was blessed by the presence of Sudesh Didi, who inspired participants through two powerful sessions: **"The Power of Gathering"** and **"Eternal Link of Love."** Didi emphasized the importance of seeing the specialties in oneself and others, remaining self-sovereign and detached observers, maintaining good wishes and pure feelings for all, and strengthening the eternal relationship between the soul and the Supreme Soul. These sessions were followed by a **Spiritual Chit-Chat**, providing participants with the opportunity to ask questions and interact closely with Didi in a warm and informal atmosphere.

Participants also took part in an interactive workshop, **"Colour Your Life for a Better Self, Better Relationship and Better World,"** exploring how virtues and spiritual values can create positive transformation in oneself, relationships, and society.

Didi spent time meeting and speaking personally with participants, creating an atmosphere filled with warmth, love, and a genuine sense of family.

A special highlight of the retreat was the celebration of **Raksha Bandhan**, symbolizing the sacred relationship between the soul and the Supreme Soul. Participants were invited to reflect deeply, write personal commitments to Baba, and participate in the Rakhi-tying ceremony in an atmosphere of peace, love, remembrance, and spiritual awareness.

Over the two days, brothers and sisters from all centres collectively created a powerful atmosphere of peace, happiness, cooperation, and elevated love.

The retreat concluded with heartfelt gratitude to Sudesh Didi, Sr. La, the National Coordinating Team, and all support teams from all centres whose dedication, love and cooperation made the retreat such a beautiful success.

The gathering served as a powerful reminder of the strength of spiritual companionship and the importance of moving forward together in Baba's love, self-transformation, and world service.

Om Shanti.
